Madam,

'Sudha' the popular brand of the Bihar State Milk Cooperative Federation Ltd. (Comfed) has been recently launched in Delhi with success. Its milk and milk products are slowly and steadily increasing their market share in Delhi. With the increasing trend of milk procurement in Bihar, Comfed is also looking for opportunities to expand beyond its borders and DMS with its 3-5 LLPD processing capacity and around 565 number of milk stalls in Delhi, presents one such opportunity.

We understand that the Government of India is keen to turnaround DMS and has asked Amul to give a proposal in this regard. I would request you to give Comfed also an opportunity in this regard, before finalizing your decision with regard to DMS.

Yours faithfully
